

Please Plan to Participate in the

# Cassia County LEPC Pipeline Safety Information Meeting

**December 18, 2018**

Lunch will be provided. Session is from 12:00pm-1:30pm.

Sponsored by the Pipeline Association of the Northwest (PANW)  
Williams NWP, Intermountain Gas Company and Andeavor

Location of Meeting: **1800 J Street, Heyburn, ID 83336**

Agenda:

- 12:00-12:15pm Pipeline Operator Introductions
- 12:15-12:45pm Lunch – PANW Presentation
- 12:45-1:00pm Questions?
- 1:00pm Door Prizes & Closing

The purpose of this meeting is to introduce pipeline operators to emergency responders prior to a pipeline incident. We want to work together to be prepared for the unlikely event of a natural gas pipeline rupture or leak.

*Food, Handouts, Door Prizes,  
and GREAT INFORMATION!*

We hope to provide you with information about transporting a variety of products through pipelines, how to recognize a potential leak, and how to appropriately respond if an incident should occur. Following the session, we will have an open discussion to answer any questions the responders might have for the pipeline operators – or vice versa! Better to prepare ourselves prior to meeting at the scene of an incident and to know who to contact for further information.

### *Who is the Pipeline Association of the Northwest?*

The pipeline Association of the Northwest (PANW) is comprised of pipeline operators in Idaho, Oregon and Washington that are dedicated to promoting pipeline safety by providing information for Emergency Responders, Public Official, Excavators, State Residents and Businesses.
